The 1951
SPINSTER

OF HOLLINS COLLEGE

*When Singleness is Bliss,
'tis Folly to be Wives*

JOHN RUTHERFORD EVERETT, B.D., PH.D.

DEDICATION

JOHN RUTHERFORD EVERETT

BECAUSE, IN THE ONE SHORT YEAR WE HAVE KNOWN YOU, WE HAVE RECOGNIZED AND APPRECIATED THE SINCERITY OF YOUR INTEREST IN AND ENTHUSIASM FOR HOLLINS, AND BECAUSE, THROUGH YOU, OUR LIVES HERE HAVE BEEN ENRICHED, WE, THE SENIOR CLASS OF 1951, DEDICATE THIS VOLUME TO YOU, MR. EVERETT, IN DEEPEST ADMIRATION AND DEVOTION.

FOREWORD

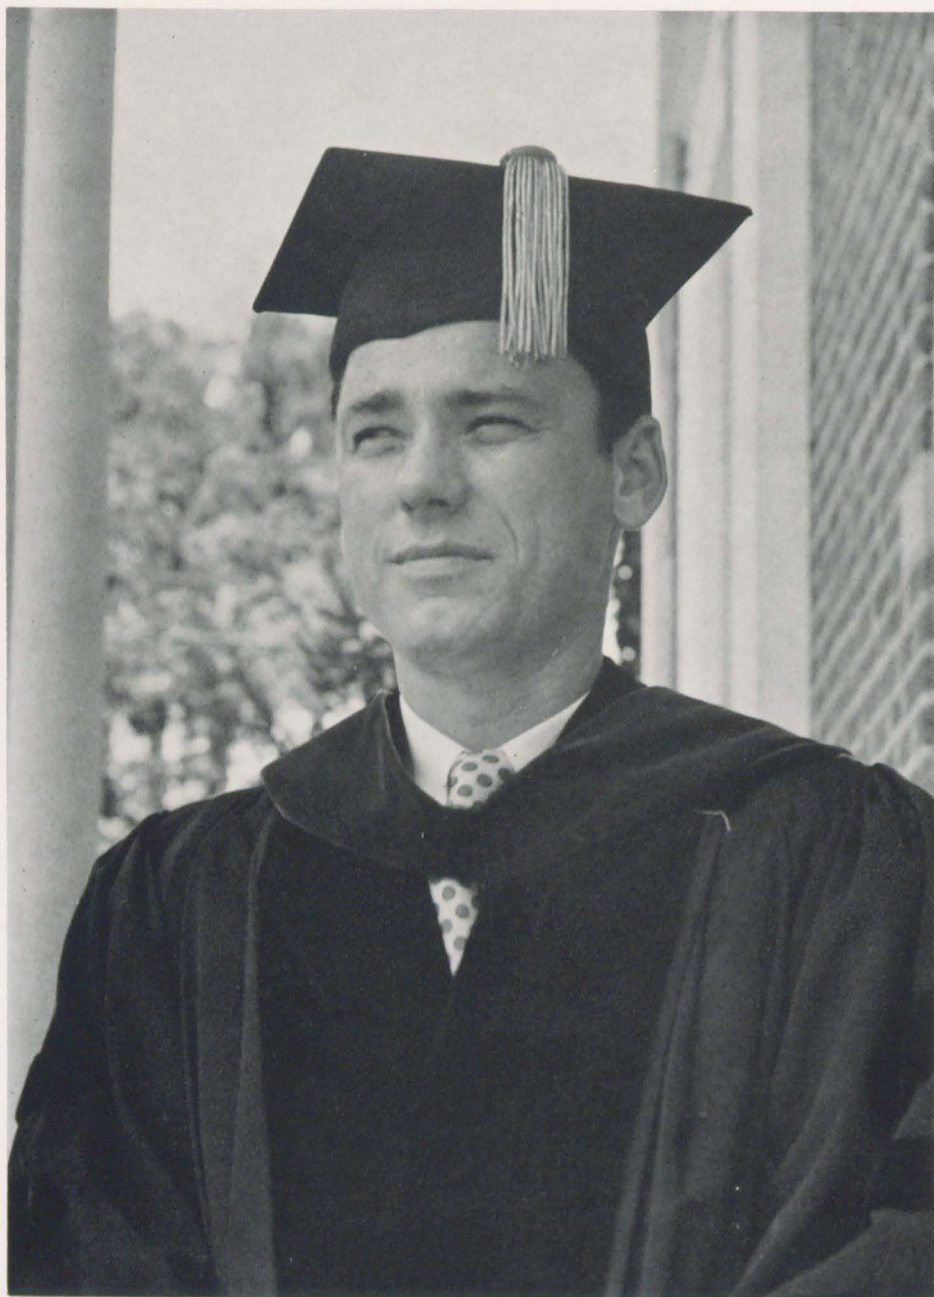

We have heard, beneath your sheltering
colonnade,
The laughter born of happiness, and prayed
That it might ring throughout the years to
come,
Echoing through the valley of our youth.

Four years are but a moment set aside.
Now, ere our daisied epitaph has died
Upon the grass, we leave seniority behind,
And stand, the humble freshmen of the
world.

The Executive Council

The Hollins Student Government Association is an organization based upon principles of honor, self-reliance, and individual responsibility and integrity. It is a form of government which embodies a code of living believed to be the finest and best by the students themselves. Since representatives to the three branches—Executive, Legislative, and Judicial—are nominated and elected by the student body, the Association serves as a training ground for democracy.

The Executive Council acts as the policy-making branch of the Student Government. It is composed of the officers of Student Government, the House Presidents of West, East and Main, and representatives of the Sophomore and Freshman classes. The policy of the Council for this year was: To keep the classes posted on issues of the Council, and to get suggestions and the help of all other students; to have the Class Representatives report to their class at least once a month on the activities of the Council; to make a thorough investigation and possible revision of the Honor System; to make a careful study of Extracurricular Activities on campus; to enter news from the three branches of Student Government in *Hollins Columns* every two weeks; to serve as an effective link between the student, the faculty, and the Administration.

The Joint Legislative Committee, the law-making branch of Student Government, provides a common meeting ground for faculty, administrative, and student opinions. Petitions from any individual or group on campus are considered by the Committee, and if passed by this group and approved by President Everett, are incorporated into the body of student regulations. The Committee is a dynamic one which concerns itself not only with new regulations but also with revising and interpreting existing ones.

Honor Court

Honor Court is the higher Judicial branch of the Student Government. Its members are a chairman and representatives from each of the four classes, elected by the student body. Honor Court tries all major offenses, such as those involving academic rules, drinking, smoking, etc., and cases referred to it by House Board. Honor Court reserves the right to "intervene in cases of unbecoming conduct on the part of any student even when no specific regulation is broken."

House Board is the lower court of the Judiciary Branch of the Student Government Association. The jurisdiction of House Board extends over cases arising from violations other than those which come under the jurisdiction of Honor Court. The purpose of House Board is to review these cases, to administer penalties in accordance with the violations, and to refer to Honor Court cases of serious or chronic offenders. It also works on constructive policies related to the management of the dormitories and houses on campus.

House Board is composed of five permanent members: the three house presidents and the vice presidents of the Sophomore and Freshman Classes. In addition to these, each semester, rotating representatives from each resident hall are elected by the students in their building to serve as ex-officio members.

The Spinster

THE SPINSTER, the annual publication of Hollins College, is edited entirely by members of the student body. Through the annual the Staff attempts to preserve those parts of college life which the students want to remember in later years. As the annual is a book that every college student keeps, it contains ideally every phase of life at Hollins either through pictures, sketches, or emphasis.

Freya

Freya is an organization which exists, not as an end in itself, not simply for the recognition of achievement, however great, but for the perpetuation of the principles of creative living which constitute the beautiful and the abiding qualities of Hollins life. Freya seeks to do this by recognizing as members those students who have shown by their own way of life a real understanding of the permanent, on-going values of Hollins. These girls have in some way, out of their love for the college and devotion to its values, contributed to its life in the fields of scholarship, leadership and creativity.

Music Association

The Music Association has as its goal the stimulation of interest in musical activities on the Hollins campus. Every year it brings artists to the campus to give concerts and lectures and to discuss current musical trends with the students. Besides being responsible for the upkeep of the Carnegie Listening Room, the Association, a member of the Virginia Federation of Music Clubs, provides various musical magazines and advance broadcast programs. The voting members of the Music Association are the music majors; associate members are those who study music as an elective or who sing in the choir.

Group Leaders

Each year Executive Council chooses a group of girls to carry out an orientation program for new students. These girls maintain the standards of Hollins life not only for the new members of the student body, but for the old students as well. Prior to the opening of school, each group leader corresponds with five or six new students and welcomes them upon their arrival at Hollins. In a series of meetings, she interprets for them the regulations, traditions, and, above all, the spirit of Hollins. But her influence does not end with the orientation period, for throughout the year she is sought for guidance and interpretations. The group leaders gladly lead the new students in the interest of constant improvement in the Hollins way of life.

Ye Merrie Masquers

Ye Merrie Masquers is an honorary dramatic organization which seeks to recognize all those girls who cherish grease-paint and canvas flats enough to fulfill its requirements for membership. With a well-rounded college theatrical background—backstage work as well as acting—any Hollins girl can be honored with its green and gold key. Each Christmas, from the Senior Class, Ye Merrie Masquers selects a Madonna whom it presents in the Christmas pageant. Although its main activity, as seen by the public, is the pageant, Ye Merrie Masquers also collaborates with the Dramatic Board during the year in the reading and selecting of plays.

Turner, Hollins General Manager, and his sister, Mrs. Leila Turner Rath. Construction materials have made the erection of Turner Hall impossible during the past several years but the committee continues to maintain a lively interest among the students in hopes that the dormitory will become a reality to them, as well as the many contributors off campus.
